

Dear XXX,

Are you skilled at graphic design or know someone who is? We are looking for Temple's best graphic designer to create a Snapchat geofilter for the Liacouras Center! The geofilter will be featured full-time at the venue and should reflect the variety of events held at the Liacouras Center. This contest will also help launch the @LiacourasCenter Snapchat account.

The contest runs from April 4 to 14. Submissions should be sent to brianna.hackett@temple.edu and the winner will be announced on April 19.

We hope students in your organization will compete for a chance to leave their mark on the university. This is a great opportunity for students to showcase their graphic design skills and complete work for a legitimate organization!

Contest rules and more information can be found in the Liacouras Center Geofilter Contest Rules document, which is attached to this email. Details and background information regarding the Liacouras Center can be found at www.liacourascenter.com. Any additional questions regarding the contest can be sent to brianna.hackett@temple.edu.

Thank you for your consideration, and we look forward to seeing your design!

Sincerely,

The Snapchat Geofilter Contest Team

The Liacouras Center
